WHY BAKERY CLASSES ARE MUST FOR EVERY BAKERY OWNER & HOME BAKER?

Where Do Home Bakers Lack?

In our country, where bakery is not our regular food habit unlike Western world, so this would mean that neither are we used to baking them in our kitchen. So, this restricts their basic knowledge & understanding on Ingredients & Techniques & Temperatures & Baking Durations.

Where the bakery products are reaching new heights in Textures, Flavours and New Concepts, home bakers are still stuck in basic problems like:

- 1) Sinking of product.
- 2) Over Cooked & Under Cooked.
- 3) Dark Colour & Light Colour.
- 4) Softness & Hardness.

What Problems Do Bakery Owners Face?

- 1) Chef Dependency
- 2) Not Having Own Recipe & Standard Operation Procedure (SOP)
- 3) Lack of Knowledge of Ingredient
Lack of in-depth understanding about ingredients and their behaviour in different combination prevents in understanding as why why an existing recipe is designed in particular & also they are way but will help them to develop their own recipes.
- 4) Lack of Knowledge of Baking Techniques
- 5) Lack of Knowledge Of Tools & Equipment & Machinerics
- 6) Lack of Knowledge of Packaging & Presentation of Baked Products
- 7) Lack of Knowledge of Costing
A good baker must understand to use the right ingredients which would justify the final products. This will result in both reducing & increasing the cost.

A Bakery Course certainly helps in overcoming all these problems.
